My dear Mr Garrison,

22

I have been desirous for many weeks to send you a little token of my regard, but felt a diffidence in so doing. Encouraged however by the example of my sister Mrs Chapman, I venture to ask your acceptance of \$50. with my best wishes accompanying the offering.

I do not at this  
moment enclose but  
had the above amount,  
the rest to follow ere  
long.

I gratefully re-  
member the kindness  
of Mrs Garrison & yourself  
during my illness, &  
assuring you of my  
sincere interest in  
her improvement and  
recovery,

I am most sincerely yrs,  
Ch. G. Chapman.
